We would like to welcome you to our team and hope that this will be an enjoyable venture for you. A few things to remember:

- There is no such thing as a bad question. If in doubt, ASK.
- A book put in the wrong place may not be found again for months!
- The job of the volunteer is NOT to be a librarian. You should not be answering reference questions, but you should always send the patron to someone who can help them.
- Hospitality is an important part of what we do, so keep smiling!
